## Event Planning

We would like to plan on attending an away game this year. If you would like to help plan, please make yourself known to myself. I would appreciate members stepping forward to help in the planning and execution of these events. If you are interested in helping out in this event or others (parade, Draft day, golf outing...), please let me know. Please plan on meeting on Memorial Day, right after the parade. I'll provide lunch, you provide the ideas.
