Pending Members

Your lifetime membership status may be at risk

In May of 2004, the GHBB adopted a policy that allows our members to obtain a lifetime membership status after 3 consecutive years of paid membership. This status is at stake for some of our members who were active during the 2005 and 2006 membership drives, but have failed to pay their yearly dues for 2007. A separate notice is enclosed with this newsletter, for members effected. Your pending status will change to inactive on or around May 1, 2007 and your names will be removed from our active rosters. To avoid this, please pay your 2007 dues prior to May 1, 2007. Remember that lifetime members pay no further yearly dues[†] and are entitled to all club benefits. If you are a lifetime member and have moved, please fill out and return the application to update your information. ❖

[†] - Individual lifetime members may upgrade to a family lifetime plan at any time, by paying the current difference in dues for a 3-year period.

In our 5th Year

Member Participants Wanted

Start your Memorial Day by participating in this year's Garfield Heights parade. The parade route takes us from Maple Leaf Drive & Turney Road to a stopover at Veterans Plaza where a memorial service is held. The parade then re-assembles and continues to the Veterans Memorial located at Garfield Blvd. & Turney Road where another service is held. Participants can meet at Venture Inn, no later than 8:45 AM, where we will carpool to the parade's starting point.
